

ST. GEORGE

INTERNATIONAL SCHOOL

2025-2026 School Year

Welcome | Bienvenido | Bienvenu | 歡迎

We are delighted to welcome you to **St. George International School (SGI)** — a vibrant, inclusive learning community serving children from 6 weeks through their elementary school years. At SGI, education is more than academics; it's a **celebration of language, culture, and the power of global connection.**

We believe language is not only a tool for communication, but a key to unlocking new perspectives, building meaningful relationships, and opening doors to a world of opportunity. Through our immersive language programs,

students **develop fluency in multiple languages from an early age**, nurturing both their intellect and cultural awareness.

But SGI is more than a language immersion school. It's a place where **cultures are shared, traditions honored, and diversity celebrated.** Our thoughtfully integrated curriculum blends academics with rich cultural content, helping students gain a **deep appreciation for the global community they're a part of.**

Founded in 2022 by a passionate group of parents, educators, and community members, SGI was built on a shared belief: that **education can transform lives and build a better world.** This spirit lives on today in the strong sense of belonging that defines our school. We are proud to offer a nurturing, supportive environment where every child feels seen, valued, and inspired to thrive.

Our dedicated educators bring expertise, warmth, and a personalized approach to every classroom. They understand that each child is unique and tailor their teaching to meet individual learning styles and interests. Through engaging, hands-on methods, our teachers spark curiosity, foster creativity, and guide students in developing essential skills such as critical thinking, problem-solving, and collaboration.

At SGI, language immersion is woven into our STEAM curriculum—students apply their target languages while exploring science, math, engineering, and the arts. From conducting experiments to solving problems, they build both academic skills and cultural fluency, supporting **a well-rounded, whole-child education.**

We are honored to partner with your family in this exciting journey. At SGI, your child will grow into a confident, compassionate, multilingual learner — **ready to make their mark on the world.**

ST. GEORGE
INTERNATIONAL SCHOOL

PREPARING STUDENTS **TODAY**
TO BE THE **GLOBAL LEADERS**
OF **TOMORROW**

OUR MISSION

At St. George International School (SGI), we aim to develop a community of intellectually curious thinkers with exemplary character, multicultural perspectives, and the linguistic abilities to become the global leaders of tomorrow.

OUR VISION

To be the region's leading multilingual immersion school—where students build a strong academic foundation, develop global awareness, and grow into confident, compassionate lifelong learners. We strive to set the standard for excellence and inclusivity in education, empowering every child to thrive.

OUR VALUES

Strive for Excellence

At SGI, we are committed to doing our best — in every task, every day. We encourage a growth mindset, where students, educators, and families are always learning, improving, and reaching for their highest potential.

Grow Together in Community

We believe in the strength of unity. By working collaboratively and supporting one another, we build a vibrant, connected community where everyone — students, teachers, and families — contributes and thrives.

Include, Respect, and Celebrate Diversity

Inclusion is at the heart of who we are. We honor different backgrounds, perspectives, and traditions. By listening with empathy and engaging with curiosity, we create a culture of mutual respect and global understanding.

Early Language Immersion School (ELIS)

6 weeks - 2 years old

At St. George International School, our ELIS program offers a dynamic Spanish immersion experience in intentionally small class settings, maximizing each child's cognitive, social, and linguistic development.

More than just a day care, ELIS is a foundational educational program tailored to prepare our youngest learners for lifelong academic success. Our low student-to-teacher ratio ensures personalized attention, allowing educators to meet each child's unique needs, interests, and learning styles.

Grounded in a thoughtfully designed curriculum, ELIS promotes active learning through clearly defined educational objectives. Children engage in meaningful, structured activities that encourage exploration, creativity, and confidence in a supportive and enriching environment.

ST. GEORGE
INTERNATIONAL SCHOOL

Core Developmental and Learning Areas:

LANGUAGE & LITERACY

Early exposure to vocabulary, stories, and songs in the immersion language.

MATH CONCEPTS

Introduction to numbers, shapes, and patterns through play.

SCIENCE EXPLORATION

Sensory activities and discovery of the natural world.

FINE ARTS

Creative expression through colors, textures, and materials.

MUSIC & MOVEMENT

Rhythm, sound, and motor coordination through songs and dance.

MOTOR DEVELOPMENT

Strengthening gross and fine motor skills through guided play.

SOCIAL & EMOTIONAL GROWTH

Building trust, self-awareness, and early social skills.

CULTURAL AWARENESS

Celebrating diverse traditions, languages, and customs.

Pre-Elementary School

Pre-K 3, Pre-K 4, Kindergarden

St. George International's Pre-Elementary School program for Pre-K and Kindergarten offers a nurturing, immersive environment where young learners begin their educational journey with a strong foundation in language, academics, and social-emotional development. Through age-appropriate, inquiry-based instruction in the target languages, students build early multilingual proficiency while developing critical thinking, literacy, and math skills. The curriculum fosters cultural understanding, encouraging respect for diverse traditions and perspectives, and supports the growth of empathy, independence, and confidence. By cultivating curiosity, creativity, and a positive attitude toward learning, the program prepares students for long-term academic success and instills the values of global citizenship from an early age.

ST. GEORGE
INTERNATIONAL SCHOOL

Core Developmental and Learning Areas:

SCIENCE

Sparking curiosity through hands-on exploration of the natural world.

TECHNOLOGY

Using digital tools to support creativity and foundational skills.

ENGINEERING

Encouraging problem-solving and innovation through building and design.

FINE ARTS

Fostering expression through visual art, music, dance, and drama.

MATHEMATICS

Developing number sense, patterns, and problem-solving through play.

LANGUAGE ARTS

Building early literacy and communication in the target languages.

SOCIAL STUDIES

Understanding self, community, and the wider world.

CULTURAL AWARENESS

Embracing diverse languages, traditions, and perspectives.

Elementary School

1st - 6th Grade

St. George International's Elementary School Program (Grades 1-6) offers a rigorous, well-rounded curriculum designed to foster academic excellence and fluency in Spanish, French, and Chinese. Taught by native-speaking educators, instruction is fully immersive, with each language serving as the primary medium for specific subjects and activities. This intentional language rotation ensures that students build strong literacy, communication, and critical thinking skills across all three target languages, while continuing to develop core competencies in English. The program is designed to nurture multilingual proficiency, cultural understanding, and global readiness from an early age.

ST. GEORGE
INTERNATIONAL SCHOOL

Core Developmental and Learning Areas:

SCIENCE

Sparking curiosity through hands-on exploration of the natural world.

TECHNOLOGY

Integrating age-appropriate digital tools to enhance creativity, collaboration, and foundational tech skills.

A WORLD OF DIFFERENCE

What Makes SGI Unique?

Language Learning: At SGI, language learning is central to our mission. In addition to a full academic curriculum, students receive immersive instruction in up to three world languages—Spanish, French, and Chinese. Through daily practice in listening, speaking, reading, and writing, students develop real-world fluency and communication skills in each language.

Cross-Curricular Integration: We take a holistic approach to learning by weaving language instruction across academic disciplines. Students apply their language skills in subjects like science, math, social studies, and the arts, reinforcing fluency while deepening their understanding of each subject. This integrated model helps students see how language connects to every aspect of life.

Cultural Studies: Language and culture are inseparable. SGI students explore the history, geography, traditions, and customs associated with each target language. This cultural lens broadens their worldview and fosters empathy, appreciation, and respect for global perspectives.

Cultural Events and Celebrations: Our vibrant calendar of school-wide cultural events brings learning to life. Students participate in celebrations, festivals, and performances that honor the cultures they study, allowing them to experience firsthand the richness and diversity of the global community.

Immersion Languages at SGI

Spanish | French | Chinese

At SGI, we believe languages are gateways to connection, understanding, and opportunity. Our immersive language program is designed to help students achieve fluency in a second, third, or even fourth language, while cultivating a lifelong appreciation for cultural diversity.

In our classrooms, students are fully immersed in their target languages throughout the day. Native-speaking teachers use dynamic, interactive methods to make language acquisition a natural and joyful part of daily learning. Beyond vocabulary and grammar, our students learn to think, express themselves, and engage with the world in multiple languages—empowering them to become confident, compassionate global citizens.

Monthly Tuition Auto-Draft Information

SGL is pleased to offer **Procare Tuition Express**[®] - a payment processing system that allows secure, on-time tuition and fee payments to be made from either your bank account or credit card. To streamline our administrative procedures, all SGL families are required to enroll in this program. SGL monthly tuition payments and applicable fees will be automatically deducted from your designated bank account or credit card on the first of every month.

Benefits of Tuition Auto-Draft for YOU and our school:

1. **Convenience:** With auto-draft, you don't have to worry about remembering to make monthly payments or writing checks. The process will be automated, saving you time and effort.
2. **Timeliness:** Automatic payments ensure that your tuition is always paid on time, eliminating the risk of late fees or missed payments. It provides peace of mind knowing that your child's education expenses are taken care of promptly.
3. **Transparency:** Auto-draft offers a clear and transparent payment history, as all transactions are recorded and easily accessible. This allows for better financial planning and record-keeping.

To set up the auto-draft, please complete our Tuition Auto-Draft Authorization form and return it to our Main Office. We will provide detailed instructions and assistance if needed. Rest assured that your financial information will be handled securely and in compliance with all relevant regulations.

We understand that individual circumstances may vary, and if you have any concerns or questions about this policy, please do not hesitate to reach out to our Main Office by calling **225.421.8303**. We are here to help and address any questions you may have.

Infant Room Feeding Guidelines

Supporting Your Child's Nutrition at School

As your child begins their transition into the school environment, proper nutrition is essential for their growth, development, and overall well-being. To help us care for your little one, **please share their feeding schedule before their first day**—this includes how often and how much milk or formula they typically consume.

If your **child has any allergies or dietary restrictions**, please inform us immediately so we can take appropriate precautions.

Below are a few important guidelines for preparing and sending your child's meals:

1. Breast Milk

- **Storage:** Please store breast milk in clean, sterilized bottles or breast milk storage bags.
- **Labeling:** Each container must be labeled with your child's full name and the date the milk was expressed.
- **Handling:** To ensure freshness and safety, milk will be stored in designated refrigerators. Place milk containers in a sealed bag or container to prevent cross-contamination.

2. Formula (Powdered or Liquid)

- **Preparation:** Please prepare all bottles at home each morning before school.
- **Labeling:** Each bottle must be labeled with your child's full name.
- **Storage:** Bottles will be kept in a designated refrigerator and served cold.

3. Introduction to Solid Foods

- As your child approaches 6 months of age, we will partner with you to gradually introduce age-appropriate solid foods in a safe, supportive way.
- If you send a packed lunch or snacks, please note: We do not microwave food.
- We recommend warming food at home before arrival; it will be at room temperature by lunchtime.

At SGI, we value open communication with families—especially regarding your child's nutrition. If you have any specific feeding instructions or preferences, please let us know. We are committed to following your guidance to ensure the best care for your child.

Family Referral Credit Program

At St. George International School, our families are our greatest ambassadors. Your trust, support, and enthusiasm have helped us become the vibrant, multilingual, and multicultural community we are today. We're excited to offer a special thank-you for helping us grow even stronger.

HOW IT WORKS:

1. **Refer a Family** Know a family looking for an exceptional trilingual education? Invite them to visit sgischool.org to complete an Enrollment Request — or simply share their contact details with our Front Office.
2. **They Enroll** Once your referred family completes the enrollment process and lists you as their referrer, your reward is in motion.
3. **Earn a \$250 Credit** After their enrollment is finalized and tuition paid, you'll receive a **\$250 credit** toward your next tuition bill or upcoming school fees. The more families you refer, the more you save.

SUPPORT SGI'S GROWTH

Your referrals help us build a strong, diverse school community rooted in shared values.

STRENGTHEN OUR COMMUNITY

Welcoming like-minded families enriches the experience for all SGI students.

ENJOY MEANINGFUL REWARDS

Save on tuition while helping friends access a life-changing educational experience.

If you have questions or need more details, **contact our Main Office at 225.421.8303**. Thank you for being such an important part of the SGI family. Your referrals mean the world to us — and help shape the future of our school.
